Consult Your Physician or Health Care Provider. Our intent is NOT to replace any relationship that exists, or should exist, between you and your Medical Provider, Mental Health Provider or other health care professional. You and your clients should always seek the advice of your/their own doctor/physician, nurse practitioner, physician's assistant, Mental Health Provider, or another health care professional regarding any questions or concerns about your/their specific health situation, including but not limited to possible or actual pregnancy, known or suspected food sensitivity or allergy, dietary restrictions, specific health diagnosis or any medications or supplements currently taking. We advise you to speak with your own Medical Provider or Mental Health Provider before implementing any suggestions obtained through our Website, Programs, Products and Services, blog and social media posts and emails, including but not limited to exercise, lifestyle, weight loss, food, vitamins, herbal, or homeopathic supplements; engaging in an elimination diet, detox or cleanse; meditation, deep breathing exercises or other stress management strategies; or participating in any other aspect of a weight loss, healthy eating, exercise and/or lifestyle program designed to support specific medical conditions diagnosed by a physician. You shall not disregard professional medical advice or delay seeking professional advice because of information you have read on this website or received from us. You should not stop taking any medications without speaking to your Medical Provider and/or Mental Health Provider. If you or your clients have or suspect that you or they have a medical problem, you are advised to contact your own Medical Provider or Mental Health Provider promptly.
